

Mediterranean Hot Spot Investment Programme – Project Preparation and Implementation Facility (MeHSIP – PPIF)

Project Data:

- For: European Investment Bank (EIB)
- Where: Southern Mediterranean (Morocco, Algeria, Tunisia, Libya, Egypt, Jordan, Israel, the Palestinian Authority, Lebanon, Syria)
- When: 2009 – 2013
- What: This project refers to the technical and institutional maturity so that a pipeline of environmental infrastructure projects in northern Africa and Middle East Mediterranean countries becomes bankable. The project aims at addressing and remediating environmental pressures in the region in the fields of solid waste, wastewater and industrial pollution.
